LAB TERRA

Each of the 5 laboratories will be coordinated by professionals trained at CRATerre and will take place from Monday 3rd to Friday 7th at the LAT (Laboratorio Arti della Terra - Lab. of Earthen Arts) in Serrenti.

The participants will be able to choose both individual daily thematic workshops or follow the complete course attending every day a different module.

Laboratories will last 8 hours: one to present the course and the specific theme, 7 to practice on site. Participants will learn to know earth as a building material and to apply the different techniques of each laboratory. Each module will produce a small built object. Equipments and materials will be provided on site.

There is a minimum number of participants of 8 people and a maximum of 15. With less than 8 people the course will be cancelled.

Labs will be completed by a package of guided tours and other activities related to earthen architecture in Sardegna organized by the International Association of Earthen Cities.

All the additional activities are included in the registration fee for the course.

Registration fee:

120 Euro / day (100 Euro by Sunday 30th of April)

500 Euro / week (400 Euro by Sunday 30th of April)

Meals will be paid separately and will amount to about 5-7 € per meal .

Bank transfers must be made by Thursday 1st of June to the bank account addressed to the association "Città della Terra Cruda"

IBAN IT 72 S 07601 04800 000040128654

(please specify days and modules in the "motive" section)
